

The ACC Liverpool Group - Sustainability Policy

The ACC Liverpool Group is committed to representing 'best practice' in all areas of sustainable service delivery. Specifically this extends to:

- Our employees at work
- Our clients, contractors and suppliers conducting their business
- Our visiting public

The ACC Liverpool Group adopts a robust and systematic approach to sustainability management. Our approach aims to extend beyond compliance with law and strives for continuous improvement in our sustainability performance.

Specifically, The ACC Liverpool Group will:

- Recognise sustainability management as central to the success of The ACC Liverpool Group.
- Develop and maintain a positive sustainability culture led by senior management.
- Facilitate communication and consultation with employees, clients, contractors and suppliers on sustainability issues.
- Engage with the local community and develop our Corporate Social Responsibility programme.
- Facilitate continuous improvement in our sustainability management via regular monitoring, audit and review.
